### Introduction:

At Imperial Oak School we recognise that positive behaviour and good school attendance are essential in order for pupils to get the most of their school experience, including their attainment, wellbeing and wider life chances. Missing out on lessons leaves children vulnerable to falling behind and can put them at risk of wider harm. There is a wide range of evidence as to the health and wellbeing benefits of school-age education.

The law entitles every child of compulsory school age to an efficient, full-time education suitable to their age, aptitude, and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education either by attendance at a school or by education otherwise than at a school. Where parents decide to have their child registered at school, they have an additional legal duty to ensure their child attends that school regularly and on time. This means their child must attend every day that the school is open, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence in advance from the school.

The Department for Education (DfE) has produced statutory guidance for maintained schools, academies, independent schools, and local authorities. It is called "Working together to improve school attendance" and it includes a National Framework in

*Imperial Oak Preparatory School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. It is our aim that all pupils fulfil their potential.*

relation to absence and the use of legal sanctions. Our School Attendance Policy reflects the requirements and principles of that guidance including the importance of understanding the potential vulnerabilities of children who are missing education or absent from school.

- We expect all children on roll to attend every day, when the school is in session, as long as they are fit and healthy enough to do so.
- We do all we can to encourage the children to attend and to put in place appropriate procedures. We believe that the most important factor in promoting good attendance is development of positive attitudes towards school. To this end, we strive to make our school a happy and rewarding experience for all children.
- The Headteacher is responsible for making sure the school keeps Admission and Attendance registers in accordance with the regulatory requirements. For all day pupils of compulsory school age our attendance register records which pupils are present at the start of both the morning and the afternoon sessions of the school day.
- This register will also indicate whether an absence was authorised or unauthorised.
- The Headteacher also ensures that a compliant admissions register is also kept.
- No child is refused entry on the grounds of race, ethnicity, gender, religion or sexual orientation.
- The school calendar and dates when the school is open can be accessed from the home page of our website [imperialoakschool.co.uk](http://imperialoakschool.co.uk)
- Alternatively, our term dates and Calendar of Events can be obtained from the school office. School emergency closures for such things as extreme weather will also be published on the home page of our website.

This policy is written with the above guidance in mind and underpins our school ethos to:

- work with families to identify the reasons for poor attendance and try to resolve any difficulties at the earliest opportunity;
- promote children's welfare and safeguarding;
- ensure every pupil has access to the suitable, full-time education to which they are entitled;
- ensure that pupils succeed whilst at school;
- ensure that pupils have access to the widest possible range of opportunities at school, and when they leave school.

Our policy outlines the school's commitment to attendance. Our policy aims to provide clear guidance to all staff, parents & carers, pupils and Advisory Board about the responsibilities and the procedures in place to promote and monitor pupil attendance.

Our policy aims to raise and maintain levels of attendance by:

- promoting a positive and welcoming atmosphere in which pupils feel safe, secure, and valued;
- raising and maintaining a whole school awareness of the importance of good attendance and punctuality;
- ensuring that attendance is monitored effectively and reasons for absences are recorded promptly and consistently.

For our pupils to gain the greatest benefit from their education it is vital that they attend regularly and on time, every day the school is open unless the reason for the absence is unavoidable. We recognise that attendance is a matter for the whole school community. Our Attendance Policy should not be viewed in isolation; it is a strand that runs through all aspects of school improvement, supported by our policies on safeguarding, prevention of bullying, behaviour, and inclusive learning. This policy also considers the Human Rights Act 1998, the Equality Act 2010, UN Convention on the Rights of the Child, and other relevant legislation.

Improving school attendance is everyone's business. It is a shared responsibility by our Advisory Board, all school staff, parents, pupils, and the wider school community. Helping to create a pattern of regular attendance is the responsibility of parents, pupils, and all school staff members.

To help us all focus on this, we will:

- Build strong relationships and work jointly with families.
- Give parents/carers information about attendance in our newsletters.

*Imperial Oak Preparatory School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. It is our aim that all pupils fulfil their potential.*

- Promote the benefits of high attendance.
- Accurately complete admission and attendance registers and have effective day to day processes in place to follow-up absence as required by law.
- Celebrate excellent attendance by displaying and reporting individual and class achievements.
- Reward good or improving attendance.
- Report to parents/carers regularly on their child's attendance and the impact on their progress.
- Contact parents/carers should their child's attendance fall below the school's target for attendance.
- Submit a daily attendance return to the Department of Education, in line with the legal expectations placed on all schools.

**Roles and Responsibilities:** Imperial Oak School recognises the importance of school attendance and promotes it across the school's ethos and policies. They take an active role in attendance improvement by:

- setting high expectations of all leaders, staff, pupils, and parents so that children attend school every day and are safeguarded from harm;
- identifying a member of the governing body to lead on attendance matters and ensuring that there is a named senior attendance champion;
- ensuring school leaders fulfil expectations and statutory duties by rigorously evaluating the effectiveness of the school's attendance procedures so that consistent attendance support is provided for all pupils;
- ensuring the school engages and works effectively with the local authority Attendance Team and wider local partners and services to address barriers to school attendance;
- regularly reviewing attendance data, discussing, challenging trends, and helping school leaders focus improvement efforts on the individual pupils or cohorts who need it most;
- ensuring high aspirations are maintained for all pupils and processes for support are adapted to the individual needs of pupils including those with long term illnesses, special educational needs and disabilities, pupils with a social worker or youth justice worker and pupils from cohorts with historically lower attendance such as those eligible for free school meals;
- ensuring all school staff receive adequate training on attendance and that relevant staff have access to opportunities to share and learn from good practice in other schools;
- ensuring that attendance data is shared with the Local Authority or Department for Education as required and on time;
- reviewing the School's Attendance Policy on at least an annual basis, ensuring that the required resources are available to fully implement the policy.

The Senior Management Team (including senior attendance champion) at Imperial Oak School will:

- actively promote the importance and value of good attendance to all pupils and their parents;
- form positive relationships with pupils and parents;
- ensure that there is a whole school approach which reinforces good school attendance, with good teaching and learning experiences that encourage all pupils to attend and to achieve;
- monitor the implementation of the Attendance Policy and ensure that the policy is reviewed annually;
- ensure that all staff are aware of the Attendance Policy and adequately trained to address attendance issues;
- ensure that the regulations and other relevant legislation are complied with;
- ensure that there is a named senior attendance champion to lead on attendance and allocate sufficient time and resource;
- return school attendance data to the Local Authority and the Department for Education as required and on time;
- report the school's attendance and related issues through termly reporting to the Advisory Board and on a half-termly basis to the designated board member for attendance;
- ensure that systems to report, record and monitor the attendance of all pupils, including those who are educated off-site are implemented;
- ensure that attendance data is collected and analysed frequently to identify causes and patterns of absence;
- interpret the data to devise solutions and to evaluate the effectiveness of interventions;
- develop a multi-agency response to improve attendance and support pupils and their families;
- document interventions used to a standard required by the local authority should legal proceedings be instigated;

required. Each half-day is known as a 'session'. Absence will not be authorised unless parents have provided a satisfactory explanation, and it is accepted as such by the school. The decision to authorise absences is at the discretion of the Headteacher/Headmaster.

For the purpose of this policy, the school defines: "Absence" as:

- Arrival at school after the register has closed
- Not attending school for any reason

"Regular" attendance as:

- Attendance at every session the school is open to pupils unless their absence has been authorised

**Authorised absences** are morning or afternoon sessions away from school for a genuine reason such as:

- An absence for sickness for which the school has granted leave;
- Medical or dental appointments which unavoidably fall during school time, for which the school has granted leave;
- Religious or cultural observances for which the school has granted leave;
- An absence due to a family emergency or unavoidable cause.

Only the school can make an absence authorised, parents do not have this authority. Consequently, not all absences supported by parents will be classified as authorised. For example, if a parent takes a child out of school to go shopping during school hours, this will not mean it is an authorised absence.

**Unauthorised absences** are those which the school does not consider reasonable and for which no 'leave' has been granted such as:

- Parents keeping children off school unnecessarily or without reason e.g. because they had a late night or for non-infectious illness or injury that would not affect their ability to learn;
- Absences which have never been properly explained;
- Arrival at school after the register has closed;
- Shopping, looking after other children or birthdays;
- Day trips and holidays taken during term-time, not deemed 'for exceptional purposes' by the headteacher/Headmaster, including any arranged by other family members or friends;
- Leaving school for no reason during the day;
- Any other absence in term time which has not been agreed.

This type of absence can lead to the school referring to the Local Authority for penalty notices and/or legal proceedings.

**Persistent and Severe Absence:** A pupil is defined by the Government as a '**persistent absentee**' (**PA**) when they miss 10% or more schooling across the school year for any reason; this can be authorised or unauthorised absence. Over a full academic year this would be 19 school days (38 sessions) missed. Absence at this level will cause considerable damage to any pupil's education and we need the full support and co-operation of parents to resolve this. A pupil who has missed 50% or more schooling is defined by the Government as '**severely absent**' (**SA**). Pupils within this cohort may find it more difficult to be in school or face bigger barriers to their regular attendance and, as such, are likely to need more intensive support.

Initially, the school will try to resolve any problems by asking the parents to visit the school, but in the case of continued absence the school will contact the Local Authority (LA) and it is likely that the Behaviour and Attendance Officer will work closely with the parents, pupil and school to resolve issues and develop strategies to improve attendance. The school is required to inform the LA if a pupil fails to attend regularly. Independent schools have a legal duty to report certain attendance issues to their local authority: ten days of unauthorised absence (other than for reasons of sickness or leave of absence), failure

*Imperial Oak Preparatory School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. It is our aim that all pupils fulfil their potential.*

to attend regularly, and deletion from the school register when the next school is not known. In this last case, independent schools are required to report the circumstances as soon as possible to the local authority (LA) in which the pupil lives.

The attendance of all pupils at our school is monitored to identify children who are PA, or are on track to becoming PA. Where emerging concerns are identified we will instigate appropriate and timely interventions as outlined in our policy. Referrals may also be made to external agencies for targeted support. If parents fail to engage with support and their child continues to have unsatisfactory attendance/ punctuality, a request may be made to the Local Authority to pursue legal proceedings.

**Leave of Absence:** We believe that children need to be in school for all sessions so that they can make the most progress possible. However, we do understand that there are times where a parent may legitimately request leave of absence for a child due to 'exceptional circumstances'. At Imperial Oak School, leave of absence is only granted at the discretion of the Headteacher/Headteacher and shall not be granted unless there are 'exceptional circumstances'. Imperial Oak School will respond to all applications for leave of absence in writing. Parents wishing to apply for leave of absence during term time must apply in writing to the Headteacher at least a month before the planned leave (see Appendix 2). Imperial Oak School will treat each application individually and discuss with you the circumstances of the application before a decision is made. If a written request for leave of absence is not completed and the leave is taken without a request being submitted, it will be marked as unauthorised. Retrospective requests will not be considered and will also result in the absence being categorised as unauthorised. In such cases the school may make a referral to the Local Authority to request that a penalty notice fine is issued or consider prosecution. When absence is granted by the Headteacher, the parents will need to agree a date of return. If a pupil fails to return on the expected date and contact is not received from, or made with the parents, school will seek advice from the Local Authority. This could result in possible children missing from education procedures being instigated.

**Medical Appointments and Absence Due to Illness:** Parents should try to make appointments outside of school hours wherever possible. Where appointments during school time are unavoidable, we ask that parent notifies the school in advance of the appointment wherever possible. The pupil should only be out of school for the minimum amount of time necessary for the appointment. In most circumstances, a child should not miss a whole day at school for an appointment. If a pupil must attend a medical appointment during the school day, they must communicate this to the school by email or in any other writing means. No pupil will be allowed to leave the school site without parental confirmation.

In most cases, absences for illness which are reported following the school's absence reporting procedures will be authorised without the need for parents to supply medical evidence. In line with Department for Education guidance, if we do have a genuine concern about the authenticity of the illness, we will speak to parents/carers regarding our concerns and look at what support can be put in place to ensure their child's regular attendance at school. If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised.

Where a child has an emerging pattern of non-attendance, we will discuss the reasons for absence with the child's parent/carer. We will invite parents to attend a school-led Attendance Support Panel as an appropriate early intervention strategy. As part of this support, we may seek consent from parents and the pupil as appropriate to make a referral to the 5-19 Healthy Child Programme team and/or to liaise with the child's healthcare professional.<sup>1</sup>

Where a pupil has a verified and chronic health condition, we will aim to work with parents to ensure children have access to education and provide appropriate support in line with Supporting pupils with medical conditions at school and Local authority Council policies via the Medical Needs Service. We will also consider whether an Individual Healthcare Plan is required.

**Student Absence for the Purposes of Religious Observance:** Imperial Oak School acknowledges the multi-faith nature of British society and recognises that, on some occasions, religious festivals may fall outside school holiday periods or weekends and is recognised as such by a relevant religious authority. Where this occurs, the school will consider either authorising the pupil absence or making special leave for religious observance. Parents are requested to give advance notice to the school.

**Our Procedures:** All registers must be taken between 8:45 and 9:15 in the morning and 1:00 to 1:15 in the afternoon by using the electronic register available. All registers will be checked by the identified admin person and in case they have not been completed, the identified person will communicate this to the teacher

**Register Keeping and Recording:** The School Attendance (Student Registration) (England) Regulations 2024, require schools to take an attendance register twice a day, once at the start of the morning session and then again during the afternoon session. The register must record whether the pupil was:

- present;
- absent;

*Imperial Oak Preparatory School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. It is our aim that all pupils fulfil their potential.*

- present at approved educational activity; or
- unable to attend due to exceptional circumstances.

**Expected first day of attendance:** Imperial Oak School will enter pupil's names on the admission register on the first day that the school, and the person with control of the pupil's attendance have agreed that the pupil will attend the school. In the case that a pupil fails to attend school on the agreed starting day, we will follow this up and try to establish the reason for absence. Where we cannot locate the pupil, we would notify the local authority.

**Expected Absence Procedure for Parents:** A parent has a legal responsibility to ensure that their child attends school regularly. If a child is unavoidably absent from school parents are expected to contact school by telephone call on the morning of the first day of absence and on each subsequent day, identifying the reason for absence and the expected date of return. If no contact is received, then absence protocols will be instigated.

**If a child is absent from school the parent must follow these procedures:**

- Contact the school on the first day of absence before 9:15 when our register closes using our school number (0208 153 0201) or email ([office@ImperialOakschool.co.uk](mailto:office@ImperialOakschool.co.uk))
- Contact the school on every further day of absence, again before 9:00.
- Ensure that your child returns to school as soon as possible.

**If your child is absent, the following actions will be initiated by the school:**

[head@ImperialOakschool.co.uk](mailto:head@ImperialOakschool.co.uk) [office@ImperialOakschool.co.uk](mailto:office@ImperialOakschool.co.uk)

- If the child is absent unexpectedly, the class teacher will record the absence in the register and will inform the school office.
- When the child returns to school, a note, email or telephone call to the school office from a parent or guardian should explain the absence. Notes are kept in the school office.
- A note, email or telephone call may be sent/made to the school office prior to the day of absence e.g. if a child has a medical appointment.
- If there is any doubt about the whereabouts of a child, the class teacher will take immediate action by notifying the school office.

Imperial Oak School will then be in contact straight away with the parent or guardian, in order to check on the safety of the child.

We will also inform a pupil's social worker and/or youth offending team worker if there are unexplained absences from school in line with statutory requirements. We will also inform a pupil's social worker and/or youth offending team worker if their name is to be deleted from the school register.

**Late Arrival at School:** Poor punctuality is not acceptable and can lead to irregular school attendance patterns. Pupils who arrive late disrupt lessons and, if a child misses the start of the day, they can feel unsettled and embarrassed and risk missing vital work and important messages from their class teacher. At Imperial Oak School all pupils are expected to arrive on time for every day of the school year. The school day begins at 8:45am. We advise all parents to ensure their child is on site prior to this. The school register will be taken at 8:45am. All pupils arriving after this time are required to report to the main office with their parents, who will be expected to provide a reason for their absence. If their arrival is before **9:15** it will be recorded as late - L code (Late before the close of register).

The school register will officially close at **9:15**. All pupils arriving on or after this time will be marked as having an unauthorised absence for the morning session - U code (Late after the close of register).

This is categorised as an unauthorised absence for the session. Unauthorised lateness could result in the school referring to the Local Authority for sanctions and/or legal proceedings. If your child has a persistent lateness record, you may be asked to meet with Javier de la Fuente, but you can approach us at any time if you are having difficulties getting your child to school on time. We expect parents

and staff to encourage good punctuality by being good role models to our pupils and, as a school, we celebrate good class and individual punctuality.

Please note: L codes will be used if a pupil arrives after the close of the afternoon register for the PM session.

**Family Holidays during Term Time:**

*Imperial Oak Preparatory School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. It is our aim that all pupils fulfil their potential.*

- Family holidays should not take place during term time due to the impact they have on pupils' learning.
- In exceptional circumstances, if a family holiday is deemed necessary, permission should be sought in writing from the Headteacher.
- Family holidays taken during term time will generally be categorised as an unauthorised absence. However, we recognise that due

to the individual needs of our learners, there may be occasions when it is necessary for families to take holidays during term time. In such cases, particularly where external factors such as airport congestion, family wellbeing, or other exceptional circumstances play a role, requests may be considered for authorised leave. Each request will be reviewed on a case-by-case basis, with careful consideration given to the specific needs and best interests of the learner.

**Long-term Absence:** When children have an illness that means they will be away from our school for over five days, the school will do all it can to share learning materials so that they can keep up with their school work, where appropriate.

**Support Systems:** At Imperial Oak School we recognise that poor attendance can be an indication of difficulties in a family's life. This may be related to problems at home and or in school. Parents are encouraged to inform school of any difficulties or changes in circumstances that may affect their child's attendance and or behaviour in school, for example, bereavement, divorce/separation, emerging health concerns. This will help the school identify any additional support that may be required. Hillingdon also offers support through the attendance support team. They support young people and children to access their right to full-time education, working with schools and families to ensure that children are attending their schools regularly.

If you are having difficulties ensuring your child is in full-time education, parents can email [attendancesupport@hillingdon.gov.uk](mailto:attendancesupport@hillingdon.gov.uk).

We also recognise that some pupils are more likely to require additional support to attain good attendance. The school will implement a range of strategies to support improved attendance based on the individual needs and circumstances of the child. Strategies we may use to support you include:

- Write to you if your child's attendance is causing a concern and/or where punctuality is a concern;
- Arrange a meeting so that you may discuss the situation with a member of our SLT;
- Create a personalised action/support plan, such as an attendance contract, to address any barriers to attendance and make clear each person's role in improving the attendance patterns of your child;
- Offer signposting support to other agencies or services, if appropriate or undertake an Early Help Assessment & Plan with you;
- Refer the matter to an external agency for multi-agency support, or consult with the Children's Advice and Duty Service (CADS) or the police, where there are safeguarding concerns.
- Refer to the Local Authority for joint enquiries to be made to establish the whereabouts of the child through Children Missing
- *Education procedures if no contact has been made with parents by the 10<sup>th</sup> day of absence (or sooner if deemed appropriate). Refer the matter to the Local Authority for relevant legal sanctions, if attendance deteriorates following the above actions*

To plan the correct support, we will always invite parents and pupils to attend a meeting to discuss the concerns and devise a plan to support the child's regular attendance. Support offered to families will be child-centred and planned in discussion and agreement with both parents and pupils.

**School targets, projects and special initiatives:** The school has targets to improve attendance and each child has an important part to play in meeting these targets. The minimum level of attendance for this school is **96%** attendance and parents are informed annually about progress to this level and how their child's attendance compares.

The school's target is to achieve better than this however because good attendance is the key to successful schooling. Through the school year absences and punctuality are monitored to show where improvements need to be made. Information on any projects or initiatives that will focus on these areas will be provided in our Home - School book and parents are asked for their full support.

At Imperial Oak School we will investigate and offer support to any pupils who are on track to be persistently absent (PA) and will not wait until attendance is below 90%.

**Part-time timetables:** All schools have a statutory duty to provide full-time education for all pupils and we are committed to every child's right to a suitable, full-time education offer. In very exceptional circumstances, we may decide to implement a temporary, reduced timetable where a pupil's individual needs indicate they cannot currently access a full-time education and it would not be in their best interest to do so. We will not use a part-time timetable to manage a pupil's behaviour. A part-time timetable will not be treated as a long-term solution and will have a time limit by which point the pupil is expected to attend full-time or be provided with alternative provision. We will never put a part-time timetable in place without written agreement from parent/carer and/or other professionals working with the family as appropriate. This intervention will only be used as part of a comprehensive package of support for the pupil where it is safe to do so; it will be reviewed regularly in partnership with the child, parent and any other relevant professionals working with the family. In line with the Local Authority Council guidance <https://www.hillingdon.gov.uk/school-attendance>, we will notify the Attendance Team of all part-time timetables as soon as a plan has been agreed.

**Monitoring and Review:**

- It is the responsibility of the Heads of School to monitor overall attendance and seek to ensure that the attendance figures are as they should be.
- The school keeps accurate attendance records on file for a minimum period of five years.
- Class teachers will be responsible for monitoring attendance in their class and for following up absences in the appropriate way.
- Any ongoing absences, 'lates' or unauthorised absences for holidays are followed up as quickly as possible.
- If there is concern about a child's absence, the teacher will contact the school office and this will immediately be followed up by the Head of School.

**School Attendance and the Law:** The School Attendance (Student Registration) (England) Regulations 2024 introduced a National Framework in England. By law all children of compulsory school age must receive an appropriate full-time education (Education Act 1996). Parents have a legal duty to ensure their child attends school regularly at the school at which they are registered. Parents may be recognised differently under education law, than under family law. Section 576 of the Education Act 1996 states that a 'parent', in relation to a child or young person, includes any person who is not a parent (from which can be inferred 'biological parent') but who has parental responsibility, or who has care of the child. A person typically has care of a child or young person if they are the person with whom the child lives, either full or part time and who looks after the child, irrespective of what their biological or legal relationship is with the child.

**National Framework for Penalty Notices:** There is now a single consistent national threshold for when a penalty notice must be considered by all schools in England, of 10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period. The 10 sessions of absence do not have to be consecutive and can be made up of a combination of any type of unauthorised absence (G, O and/or U coded within the school's registers). The 10-school week period can span different terms, school years or education settings. Sanctions may include issuing each parent (for each child) with a Penalty

*Imperial Oak Preparatory School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. It is our aim that all pupils fulfil their potential.*

Notice for £160, reduced to £80 if paid within 21 days (for the first offence). A second Penalty Notice issued within a three-year period will result in a fine of £160 per parent, per child. If a third offence is committed the matter may be referred to the local authority for consideration of prosecution via the Magistrates Court. If prosecution is instigated for irregular school attendance, each parent may receive a fine of up to £2500 and/or up to 3 months in prison. If a parent is found guilty in court, they will receive a criminal conviction. For further information see the Local Authority Code of Conduct for issuing fixed penalties regarding school attendance. **There is no entitlement in law for pupils to take time off during the term to go on holiday or other absence for the purpose of leisure or recreation, or to take part in protest activity in school hours.** In addition, the Supreme Court has ruled that the definition of regular school attendance is "in accordance

with the rules prescribed by the school." We will work with parents and the Local Authority to ensure that parents are supported to secure education for children of compulsory school age. Where required, we will formalise support and where necessary, work with the LA to use legal measures.

**Deletions from the Register:** At Imperial Oak School we will add and will only delete pupils from our school roll in line with the Student Registration Regulations. In most circumstances, we will know in advance about pupils leaving our school; this will be planned and discussed with the parent in advance of the pupil leaving. At Imperial Oak School we will always work with families to gain information about the pupil's next school and/or address before the pupil leaves to reduce the risk of pupils becoming a child missing education through lack of shared information. We follow the Local Authority Council's Child Missing Education procedures and will inform the Children Missing Education Team of all removals from our school roll no later than the date the child is removed in line with statutory responsibilities. If a child is removed from roll to home educate, we can only de-register the child if we receive permission for parents to home educate to educate their child other than at school from the local authority. The pupil will be de-registered on receipt of such permission. Imperial Oak School will follow the Local Authority Council's Children Missing Education procedures <https://www.hillingdon.gov.uk/school-attendance> when a pupil's whereabouts is unknown, the school will carry out joint enquiries with the Local Authority Council to establish the whereabouts of the child.

**Children Missing Education:** In Children Missing Education - Statutory Guidance for Local Authorities (2016), children missing education are defined as those who are not on a school roll or receiving suitable education otherwise than at school. Those who are regularly absent or have missed 10 school days or more without permission may be at risk of becoming 'children missing education'.

There will not always be a safeguarding concern for children and young people who are missing education. Most children and young people are moving schools supported by their parents/carers, schools and local authority admissions services. A smaller number, however, are at risk of dropping out or disengaging from education and being out of school, they are at risk of exploitation, going missing and significant harm

As a result of daily registration, schools are particularly well placed to notice when a child has gone missing. If a member of school becomes aware that a child may have run away or gone missing, they should try to establish with the parents/carers, what has happened. If this is not possible, or the child is missing, the designated safeguarding teacher/advisor should, together with the class teacher, assess the child's vulnerability.

In the circumstances of a child going missing who is not known to any other agencies, the Headteacher should inform the Children Missing Education (CME) Officer of any child who has not attended for 10 consecutive school days without provision of reasonable explanation. Prior to doing so, the school should have made enquiries to ascertain whether the child is still residing at the home address and is not attending or whether the child is missing.

**Equal Opportunities:** That every member of the school community experiences equal chances, irrespective of ethnic origin, race, religion, colour, nationality, political beliefs, disability, age, sex or sexual orientation. That every member of the school community is valued as an individual and that everyone understands that stereotyping, discrimination, prejudice and racism will not be tolerated.

**Related Policies:** To underpin the values and ethos of our school and our intent to ensure that pupils at our school attend school regularly and reach their full potential the following policies are integral to this approach:

- safeguarding including child protection
- medical needs
- admissions
- anti-bullying

*Imperial Oak Preparatory School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. It is our aim that all pupils fulfil their potential.*

- special educational needs
- behaviour and rewards

**The important legal information – New from August 19<sup>th</sup>, 2024**

The Government have introduced a single national threshold for when a penalty notice must be considered by all schools in England. This threshold is **10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period**. These sessions do not have to be consecutive and can be made up of a combination of any type of unauthorised absence. The period of 10 school weeks can span different terms or school years. In line with national guidance, the Local Authority (LA) retains the discretion to issue a penalty notice before the threshold is met. This might apply for example, where parents have taken several term time holidays below the national threshold. The LA also retains the discretion to consider going straight to prosecution where appropriate. If the absence is reported to the Local Authority, they may well apply the financial penalty cause.

A maximum of 2 penalty notices per parent, per child can be issued within a rolling 3-year period. This period will start from the issue of the 1<sup>st</sup> penalty notice. The national framework also sets out the escalation process which applies to such penalty notices. If the national threshold is met for a third time (or subsequent times) within 3 years, another tool should be used. Where a pupil’s attendance has met the national threshold for a third time within 3 years and the parent/s have already been issued with 2 penalty notices within that period, consideration will be given to prosecution under section 444 of the Education Act 1996, which can result in a criminal conviction and fine of up to £2,500.

**Requests for leave of absence:** Working together to improve school attendance advises all schools that they should only grant a leave of absence during term time in exceptional circumstances, considering each request on a case-by-case basis. If a leave of absence is granted, it is for the headteacher to determine the length of time the pupil can be away from school. Although we recognise the value and benefits of family holidays, it is unlikely a leave of absence will be granted for a family holiday as the Government ‘does not consider a need or desire for a holiday or other absence for the purpose of leisure and recreation to be an exceptional circumstance.’ Requests for leave must be made in advance, otherwise schools will be unable to consider your individual circumstances and the absence will be recorded as unauthorised. Headteachers are not obligated to reconsider authorising leave if an application was not made in advance.

**Support with ensuring regular school attendance:** If you require any support with ensuring your child’s attendance, please contact the school office at [office@ImperialOakschool.co.uk](mailto:office@ImperialOakschool.co.uk) / 0208 153 0201

Parents have a legal duty to ensure their child’s regular attendance at school. The Headteacher / DSL has to consider the reasons for the request, the effect on the continuity of the child’s learning and pupil’s overall attendance.

**Please provide as much information as possible to allow Headteacher/DSL to make an informed decision regarding your application.**

**Please feel free to make an appointment to meet with the Headteacher / DSL to discuss your application if you believe that there are special circumstances that you think the school should know about regarding your application.**

**You will receive written notification of the Headteacher / DSL’s decision. Any absences not agreed with the school will be recorded as unauthorised and will be referred to the Educational Welfare Service and may result in your child losing their place at the school.**

**We expect pupils to attend school for 100% of the academic year. You can support your child to have excellent attendance by taking these steps:**

- Ensure your child arrives on time for school every day and is ready to learn. Arriving after registration is recorded as an unauthorised absence. Pupils must be in school by **08:45 am**.
- Avoid taking holidays during term time.
- If your child appears to be only slightly ill, send them in to school. We have staff who will contact you if their condition deteriorates.
- Book any medical appointments outside of school hours. If this is unavoidable, please book for as late in the afternoon as possible and inform the school of appointments in advance.
- Supply a copy of the appointment card or hospital letter if your child has an appointment during school hours.

If your child becomes reluctant to go to school or you need help, please contact the school immediately; we are more likely to be able to work together to solve any problems if we act early.

**Promoting Regular Attendance:** At Imperial Oak School we believe in developing good patterns of attendance and set high expectations for the attendance and punctuality for all our pupils from the outset. It is a central part of our school's vision, values, ethos, and day to day life. We recognise the strong connections between attendance, attainment, safeguarding and wellbeing.

**'Working together to improve school attendance' states this should include the name and contact details of-**

- **Senior leader responsible for the strategic approach to attendance in school**
- **School staff who pupils and parents should contact about attendance on a day-to-day basis and**
- **School staff who pupils and parents should contact for more detailed support on attendance**

**The Role of the Parents/Guardians/Carers:** Parents/guardians/carers have the legal responsibility for ensuring that children of compulsory school age (5 to 16) receive a suitable education, either by regular attendance at school or otherwise.

**The Role of the School:** The school is required to maintain two registers:

- An admission Register (known as the School Roll)
- An attendance Register

*Imperial Oak Preparatory School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. It is our aim that all pupils fulfil their potential.*

**The Admission Register:** This gives particular information about pupils who are currently registered as attending our school. For the purposes of day-to-day management, the school admission register will be contained within the school database, although selected information will be printed and placed in key location (such as staff room, school office and the Headteacher's study, to facilitate ease of access of information).

The register will comprise information that is compliant with regulations set out in the education (pupil registration) (England) regulations 2006, which have superseded the regulations of 1995 and the amendments of [www.opsi.gov.uk](http://www.opsi.gov.uk). For each pupil, the admission register will contain:

- Name in full
- Sex
- Name and address of every person known to the Headteacher to be a parent of the pupil (and an indication of the parent with whom the pupil normally resides)
- At least one telephone number at which the parent can be contacted in an emergency
- Day, month and year of birth
- Day, month and year of admission or re-admission to the school
- Name and address of the school last attended, if any

**Attendance Register:** The School is required to ensure that the attendance register for all pupils on the school roll is taken twice a day – once at the start of the morning session and once during the afternoon session.

Each pupil must be marked on the register in one of the following categories:

- Present
- Engaged in an approved educational activity away from the school site (approved by the Headteacher and supervised by a person approved by the Headteacher, including sporting activities, educational visits or residential trips)
- Absent
- Unable to attend through exceptional circumstances (unavoidable closure of the school site or part of it)
- Taking authorised absence (granted leave of absence by the Headteacher or a person acting on their behalf, unable to attend by reason of sickness or unavoidable cause, observing a day exclusively set apart for religious observance by the religious body to which the parent belongs)
- Taking unauthorised absence (if no reason is established when the register is taken, the entry may be corrected later when the reason is established).

If a pupil is absent, the register must say whether or not the absence has been authorised by the school. Parents/guardians/carers cannot authorise absence – it is the school that decides how to classify absences). Authorised absence is where the school has either given approval in advance for a pupil of compulsory school age to be away or has accepted an explanation offered afterwards as satisfactory justification of absence (e.g. illness).

All other absences are treated as unauthorised. Authorised absences include medical or dental appointments, days of religious observance, visit's to future schools, exclusion, family bereavement and special occasions (e.g. weddings). All requests for absence must be made in writing to the Headteacher, giving the school plenty of time to consider the request.

If a pupil is absent without explanation when the register is called, school staff will normally contact the parents/guardians/carers the same day whenever possible. The absence will be treated as unauthorised unless an explanation is offered as satisfactory justification for absence.

Under education law, parents/guardians/carers may request absence for their children from school for family holiday. It is schools to determine whether or not they agree to a family holiday during term time. Schools may authorise absence for the purpose to a maximum of 10 school days in any school year. Our School feels that family holidays should be taken when the school is not in session, unless there are exceptional circumstances.

**Failure to Attend School:** If a child fails to regularly attend school then the parent/carer/guardian is guilty of an offence (Educational Act 1966). The school is required to inform the LA if a pupil fails to attend regularly. Independent schools have a legal duty to report certain attendance issues to their local authority: ten days of unauthorised absence (other than for reasons of sickness or leave of absence), failure to attend regularly, and deletion from the school register when the next school is not

*Imperial Oak Preparatory School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. It is our aim that all pupils fulfil their potential.*

known. In this last case, independent schools are required to report the circumstances as soon as possible to the local authority (LA) in which the pupil lives.

#### **Responsibilities:**

- It is a parent/guardian's responsibility to inform the school of the reason for a pupil's absence on the first day of absence.
- A parent/guardian should phone school before 0915 giving the pupil's name and reason for absence.
- Pupils are expected to be in school at 0850 for registration / assembly. It is the responsibility of parents / guardians to ensure that their child is punctual.
- Lateness is recorded at registration and recorded on a pupil's attendance record.
- If your child appears reluctant to attend school please discuss the matter promptly with your child's Form Teacher Tutor to ensure that both you and your child receive maximum support.

#### **Role of Pupils:**

- Each pupil at Imperial Oak Preparatory School has a duty to ensure that he/she attends school punctually and regularly.
- It is your responsibility to get caught up on work missed as quickly as possible.

#### **Family Holidays during Term Time:**

- Family holidays should not take place during term time due to the impact they have on pupils' learning.
- In exceptional circumstances, if a family holiday is deemed necessary, permission should be sought in writing from the Interim Headteacher.
- Family holidays taken during term time will be categorised as an unauthorised absence.

#### **Definitions**

##### ***Authorised absence:***

- An absence is classified as authorised when a child has been away from school for a legitimate reason and the school has received notification from a parent. For example, if a child has been unwell, the parent/carer/guardian writes a note or telephones the school to explain the absence.
- Only the school can make an absence authorised. Parents do not have this authority.
- Consequently, not all absences supported by parents will be classified as authorised. For example, if a parent takes a child out of school to go shopping during school hours, this will not mean it is an authorised absence.

##### ***Unauthorised absence:***

- An absence is classified as unauthorised when a child is away from our school without the permission of both the school and a parent.
- Therefore, the absence is unauthorised if a child is away from school without good reason, even with the support of a parent.

#### **If a child is absent:**

- When a child is absent unexpectedly, the class teacher will record the absence in the register and will inform the school office. In any event, the class teacher will record the absence in the register.
- Before, during or when the child returns to school, a note, email or telephone call to the school office from a parent or guardian should explain the absence. All emails are saved in a dedicated email folder for Absent Children, and any letters/notes should be filed in the child file.
- When the child returns to school, a note, email or telephone call to the school office from a parent or guardian should explain the absence. Notes are kept in the school office.
- A note, email or telephone call may be sent/made to the school office prior to the day of absence e.g. if a child has a medical appointment.
- If there is any doubt about the whereabouts of a child, the class teacher should take immediate action by notifying the school office. Imperial Oak School will then be in contact straight away with the parent or guardian, in order to check on the safety of the child.

#### **Requests for leave of absence:**

*Imperial Oak Preparatory School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. It is our aim that all pupils fulfil their potential.*

- We believe that children need to be in school for all sessions so that they can make the most progress possible. However, we do understand that there are exceptional circumstances under which a parent may legitimately request leave of absence for a child to attend a specific event.
- We expect parents to contact the school at least a week in advance but normally this request will be granted.
- We naturally prefer parents to take their family holiday in the normal school holiday periods but if this is not possible, the school will, usually, grant the leave of absence. However, a letter or email asking for such an absence should be sent to the Principal.

**Long-term Absence:**

- When children have an illness that means they will be away from our school for over five days, the school will do all it can to send material home so that they can keep up with their school work.

**Repeated Unauthorised Absences:**

- The school will contact the parent of any child who has an unauthorised absence.
- If a child has a repeated number of unauthorised absences, the parents will be asked to visit the school and discuss the problem.

See also our Absence of Children and Missing Children Procedures.

**Keeping Records:**

- It is the responsibility of the Headteacher to monitor overall attendance and seek to ensure that the attendance figures are as they should be.
- The school keeps accurate attendance records on file for a minimum period of five years.
- Class teachers will be responsible for monitoring attendance in their class and for informing the Headteacher of absences, who will follow them up with parents or carers.
- Any ongoing absences, 'lates' or unauthorised absences for holidays are followed up by the Headteacher as quickly as possible.
- If there is concern about a child's absence, the teacher will contact the school office and this will immediately be followed up by the Headteacher.
